Summer Art Camp

The one week session provides five fun-filled days learning about artists, art forms and art techniques while creating projects that each camper will take pride in. Students will have the opportunity to try their hand at various media while they discover their own creative style.

The creative process will culminate with a student art show on Friday afternoon. Parents and friends of campers will be invited to view their work in a gallery atmosphere while enjoying refreshments.

Campers will participate in indoor and outdoor activities all led by a well-trained staff. All supplies are included in camp fees. Enrollment is limited.

Campers must provide their own lunch.
